

Listen Up, Ladies!

Women of all ages are invited to participate in this free event.

Breast Cancer Awareness

Early Detection is the Key

Breast cancer will affect an average of one in eight women sometime in their lifetime. Numerous studies prove that early detection is a vital component in the successful treatment of breast cancer. Join us for a presentation about preventative screening mammograms and learn how to perform self breast exams.

Find out if you qualify for a free digital mammogram at Saint Anthony Memorial.
